A photograph of a stone archway leading to a bright, sunlit landscape. The archway is made of rough-hewn stones and is set into a larger stone wall. The light from the opening is very bright, creating a lens flare effect. The landscape beyond the archway is hazy and appears to be a valley or a field with some buildings in the distance. The text "I Am the Resurrection and the Life" is overlaid on the image in a large, black, sans-serif font, centered horizontally and vertically.
