

Questions **Atheists** can't answer...

How did **life** begin?

"Nobody knows how a mixture of lifeless chemicals spontaneously organized themselves into the first living cell"

Paul Davies
Evolutionary professor

Why do things look **designed**?

"...biology is the study of complicated things that have the appearance of having been designed for a purpose"

Richard Dawkins

Why are there no **transitional fossils**?

"The extreme rarity of transitional forms in the fossil record persists as the trade secret of paleontology"

Stephen Jay Gould
Paleontologist

In the beginning God created the heavens and the earth

Genesis 1:1 (Bible)

I am fearfully and wonderfully made

Psalms 139:14 (Bible)

At the beginning God made them male and female

Mark 10:6(Bible)

...although they knew God , they did not glorify him... their foolish hearts were darkened

For God so loved the world that he gave his only begotten Son, that whoever believes in him should not perish but have eternal life.
